

## CUSTOM GALLERY - CEILING/PENDANT

These chandeliers were modeled on historic movie theater fixtures in a theater in San Pedro, California. Over 50 inches in diameter, they utilize colored and art glass and multi-colored incandescent lamps.

Borden also made the wall sconces.

**PROJECT:** National Audio-Visual Conservation Center - Culpeper, VA  
**ARCH:** BAR Architects  
**LT DES:** HLB Lighting Design  
**SPEC No:** 3D-2185 (2007)
