

CUSTOM GALLERY - LIBRARY

**PROJECT:** UC Berkeley School of Law      2012  
**ARCH:** Ratcliff Architecture  
**LTG DESIGNER:** Auerbach Glasow French  
**EE:** Omahony and Myer

This award winning project involved additions and alterations to the School of Law. A new library, which was created by an addition, combines new tables and table lamps as well as refurbished study carrels, where existing historic fixtures were restored with CF lamping. For the new table lamps, individual controls and provision for power outlets were included and carefully coordinated. Floor lamps were also provided.
