NEW PRODUCTS

Borden Lighting is proud to introduce three new fixtures: The 311 Pendant, 500 Interior Wall Mount and 718 Exterior Wall Mount. Clicking on any image will take you to the catalog page.

311 Series: This new pendant offers a contemporary shape in a very low profile. It is well suited for task as well as ambient lighting applications, providing strong uplight and diffuse, soft downlight, that is glare-free.

500 Series: This new wall mounted fixture offers a unique shape that delivers very efficient up and downlight that is glare-free. Available with a standard T5 or T5HO. This fresh design can be a companion to other linear fixtures, while complying with ADA.

718 Series: This fixture fills out the family of our wedge shaped fixtures with an ADA version. Available for CF or LED and a variety of finishes.
