

LIGHTING FOR HOUSES OF WORSHIP

Project: Sufism Reoriented Sanctuary
Walnut Creek, CA

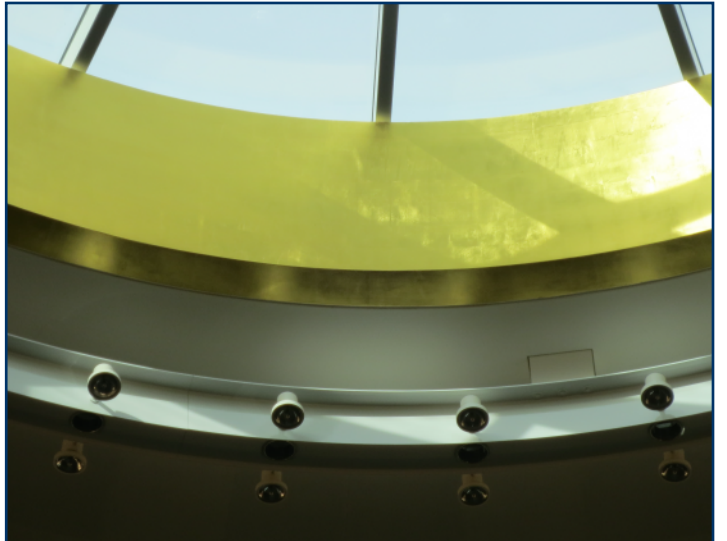

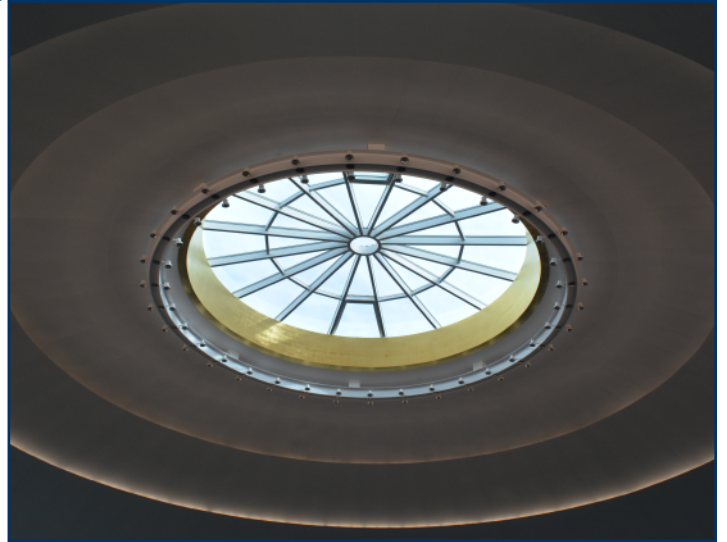

Design Arch: Philip Johnson / Alan Richie

Project Arch: Soga and Associates

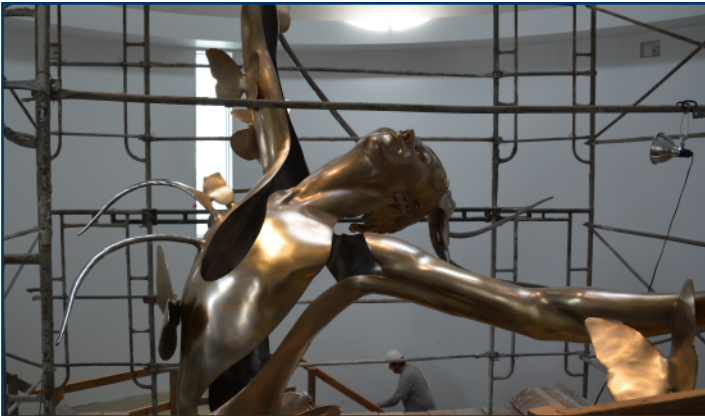

Ltg Design: JS Nolan and Associates

NOV
2016

Roughly twenty-five miles east of San Francisco, a new sanctuary is set among serene gardens on three acres of land. The sacred design includes marble clad concrete domes surrounded by contemplative gardens. Two thirds of the building is subterranean. Through careful coordination **Borden** fabricated the twenty-foot diameter ring fixture that is mounted below the main oculus skylight.
